Answer it

Let me ask you something? Did they wait until you paid a fee up front to do this service for you??? If so, that is illegal. Look it up under the Federal Trade Commission if you don't believe me. It is totally illegal to do that for credit cards. They may have paid off your cards, and you THINK that your credit score will be great again shortly after they are done, but GUESS again. Nope, been there done that.

Answer it

You are absolutely right. Thomassen Law Group (A+ BBB rating) takes the initial info, then turns your file over to Emilio Francisco's group of Debt Reduction Law Ctr. (F Rating with BBB). I found out by accident when I asked for an email address and they gave me one for the Debt Reduction group.. They never returned phone calls, never spoke to my creditors on my behalf. Stay away from both companies.
