Real Debt Solutions is not a bankruptcy or debt solution company. This is an organization to help people with debt problems, not for the purpose of earning profit. However, it does not imply that the service comes for free. The factor that is driving people to use the debt resolution services of RealDebtSolutions.org is because of the price factor. The company charges fees that are around 50% to 75% than the similar service providers and the best part is that the results are also much better than what the competitor companies provide.

What clicks for this organization is that it applies fresh and innovative approaches to deal with the issues. There are many debt resolution companies that apply same strategy and approach for different debt problems. The experts of Real Debt Solutions consider the financial situation of the
